

PHULELO

ENTERPRISE

PHULELO

Phulelo Enterprise is named after our owner's second name, meaning

“grazing side”,

which connects to our primary line of business (landscaping and gardening)

VISION

We'd love to see the company operating on provincial and national roads and doing landscaping for major companies in the private sector.

We'd love to see the company's IT services expand and operate provincially

MISSION

Expose ourselves to the local market and become a well-known, go-to supplier by building relationships with our clients

GOALS

Awareness of having a garden in every household

Solve IT issues
